

Donating Books and Audio Visuals to Sparta Library

We gladly accept books, audio books and DVD's in good, useable condition. Donated items are either placed on our shelves for circulating, or sold. The money received for sold items goes into the Library's general fund which helps provide services to our patrons. **We do not accept old magazines, encyclopedias, textbooks, VHS and cassette tapes, rated R material or Reader's Digest Condensed books.**

The following are some helpful guidelines when considering what to donate:

- All items must be in clean condition, (i.e., no torn, missing, bent pages, musty odors, mold, pet hair, mice or water damage)
- All items should be newer, with nothing over 10 years old. (exceptions may apply)
- Please do not place donations in the overnight drop box. Please bring them in during open hours and **see a staff member.**
